Use the Map Key to locate the school, the library, and the church.

Look at the compass. On what side of town is Blue Lake? What building is in the Northwest corner of town?

If you were going to live in this town, where would you live? How would you get from your house to school?

Look at the Scale. About how far is the school from the church? About how far is the school from the corner of Main and Washinton?

Look at the map coordinates. What building is at E7? At B1?
